

DataTako Privacy Statement

- 1. Introduction:** This privacy statement applies to all personal data collected and processed by DataTako from users of their SaaS solution and website. By using their services, users agree to the collection and use of information in accordance with this statement.
- 2. Collected Data:** DataTako may collect and process personal information such as contact details (name, email address, phone number), account details (username and password), IP address, browser data, service usage information, and other data relevant for personalizing and improving their services.
- 3. Use of Data:** The collected data is used for delivering and maintaining their services, providing customer support, improving and personalizing user experience, communicating updates and security alerts, and analyzing how their services are used for improvement.
- 4. Sharing of Data:** Personal data is not shared with third parties, except as necessary for service delivery, as required by law, or in the event of a merger, acquisition, or sale of all or part of their assets.
- 5. Security:** The security of personal data is important to DataTako, and they take appropriate technical and organizational measures to protect data against unauthorized access, modification, disclosure, or destruction.
- 6. Your Rights:** Users have the right to access, correct, delete, and limit the processing of their personal data. They also have the right to object to processing and the right to data portability.
- 7. Changes to the Privacy Statement:** DataTako may update this privacy statement from time to time and recommends reviewing it regularly.
- 8. Contact Information:** For questions or requests regarding this privacy statement, contact can be made via info@datatako.com.
- 9. Date:** January 23, 2024.
